Legal & Compliance Requirements Register

Determine the compliance obligations related to your environmental aspects and the legal requirements associated with OHS hazards. These may arise from mandatory requirements; applicable laws and regulations, voluntary commitments such as organizational and industry standards; contractual relationships; principles of good governance and community; and ethical standards.

Interested Party	Expectation	Related OHS Aspect	Related Compliance or Legal Requirement	Risks	Opportunities	Action/Evidence	Objective	Target
			Control of Substances Hazardous to Health (COSHH) Regulations 2002 ACOP			Ensure COSHH sheets, risk assessments etc. are	Carry out a review of all
